Made in my Retirement

CASE Study

I crafted an end-to-end Instagram strategy covering content development, reels planning, and campaign execution. In 3 months, engagement grew by 120% and the brand onboarded 50 new clients.

The campaign led to over 335k views, 50k new followers and 10k shares across the brand's social media platforms.

PHOTOGRAPHY

Blending modern aesthetics with intentional storytelling, I create elevated UGC photography that captures attention and builds brand identity. Every piece of content is designed to feel polished, organic, and impactful.
